ABOUT RAYONIER ADVANCED MATERIALS INC.

The Registrant, a Delaware corporation, was incorporated on January 16, 2014 as a wholly owned subsidiary of Rayonier, a North Carolina corporation, which is referred to in this prospectus as “Rayonier.” On January 27, 2014, Rayonier announced that it intends to separate its performance fibers business from its forest resources and real estate businesses. Rayonier announced that it intends to effect the separation through a pro rata distribution of the common stock of a new entity, which is the Registrant, formed to hold the assets and liabilities associated with the performance fibers business.

On May 27, 2014, the Rayonier board of directors approved the distribution of the issued and outstanding shares of the Registrant’s common stock on the basis of one share of the Registrant’s common stock for every three Rayonier common shares held as of the close of business on the record date of June 18, 2014. At 11:59 p.m., Eastern Time, on June 27, 2014, the distribution date, each Rayonier shareholder will receive one share of the Registrant’s common stock for every three Rayonier common shares held at the close of business on the record date for the distribution, as described below. The separation of Rayonier’s performance fibers business from the remainder of Rayonier’s businesses and the distribution of the Registrant’s common stock to the Rayonier shareholders is referred to as the “separation and distribution.” Following the separation and distribution, Rayonier and the Registrant will operate separately, each as an independent public company.

The Registrant is the world’s leading producer of high-value specialty cellulose fibers, with proprietary cellulose chemistry expertise and manufacturing process knowledge developed over 85 years. Its principal executive offices are located at 1301 Riverplace Boulevard, Suite 2300, Jacksonville, Florida 32207, and its telephone number at that location is (904) 357-4600.

Except as otherwise indicated or unless the context otherwise requires, the information included in this prospectus about the Registrant assumes the completion of all of the transactions referred to in this prospectus in connection with the separation and distribution. Except as otherwise indicated, references in this prospectus to “the Registrant” refer to Rayonier Advanced Materials Inc. and its combined subsidiaries, and references to “Rayonier” refer to Rayonier Inc.

Except as may be required by law, the Registrant undertakes no obligation to modify or revise any forward-looking statements to reflect events or circumstances occurring after the date of this prospectus. - risks associated with product liability claims;

- the Registrant's inability to engage in certain corporate transactions following the separation;
- any failure to realize expected benefits from the separation from Rayonier;

- the factors generally described in the section entitled "Risk Factors" in the information statement filed with the SEC as part of the Registrant's registration statement on Form 10 on January 29, 2014, as amended.

RISK FACTORS

You should carefully consider any specific risks set forth under the caption "Risk Factors" in the applicable prospectus supplement, under the caption "Risk Factors" included in the information statement filed with the SEC as part of the Registrant's registration statement on Form 10, as amended, which was originally filed on January 29, 2014 and subsequently amended, and under the caption "Risk Factors" in any of the Registrant's subsequent annual reports on Form 10-K and quarterly reports on Form 10-Q incorporated by reference in this prospectus, before making an investment decision. For more information, see "Where You Can Find More Information." The Registrant cannot assure you of a profit or protect you against a loss on the shares of common stock that you acquire under the Plan.

USE OF PROCEEDS

Any proceeds that the Registrant receives from the exercise of stock options issued under the Plan will be used for general corporate purposes, including repayment or refinancing of debt, acquisitions, working capital, capital expenditures and repurchases and redemptions of securities. Pending any specific application, the Registrant may initially invest funds in short-term marketable securities or apply them to the reduction of other short-term indebtedness. The Registrant cannot estimate the amount of any such proceeds at this time.

PLAN OF DISTRIBUTION

In connection with the separation and distribution, awards of stock options and performance shares that were previously made to former employees of Rayonier and the Registrant (as of the date of the distribution) under Rayonier's equity compensation program will be converted into adjusted awards based on Rayonier's common shares and "new" awards based on the Registrant's common stock, as described below under "Description of Award Adjustments." The awards that are based on the Registrant's common stock will be granted by the Registrant under the Plan, in accordance with the terms of the employee matters agreement

[Table of Contents](#)

that the Registrant will enter into with Rayonier in connection with the separation and distribution, and will be made in partial substitution of the stock options and performance shares that were previously granted under Rayonier's equity compensation program. The registration statement of which this prospectus forms a part only covers awards that are granted under the Plan to former employees of Rayonier and Rayonier subsidiaries who do not become employees of the Registrant at the time of the distribution, and any such individuals' donees, pledgees, permitted transferees, assignees, successors and others who come to hold any such awards. The registration statement of which this prospectus forms a part does not cover any awards that were granted to any individual who, upon completion of the distribution, was employed by or was serving on the board of directors of either Rayonier or the Registrant, or any other awards that may be granted under the Plan in the future.

DESCRIPTION OF AWARD ADJUSTMENTS

The employee matters agreement between Rayonier and the Registrant will establish, among other things, the mechanics for the conversion and adjustment on the distribution date of equity awards granted under Rayonier's equity compensation plans into adjusted Rayonier awards and awards of the Registrant. In accordance with the employee matters agreement, as of the distribution date, each Rayonier stock option will be converted into both an adjusted Rayonier stock option and a Registrant stock option, with adjustments made to the exercise prices and number of shares subject to each option in order to preserve the aggregate intrinsic value of the original Rayonier stock option as measured immediately before and immediately after the separation, subject to rounding. The adjusted Rayonier stock options and the Registrant stock options will be subject to substantially the same terms, vesting conditions, post-termination exercise rules, and other restrictions that applied to the original Rayonier stock option immediately before the separation. Holders of Rayonier restricted stock, including Rayonier non-employee directors, will retain those awards and also will receive restricted stock of the Registrant, in an amount that reflects the distribution to Rayonier shareholders, by applying the distribution ratio to Rayonier restricted stock awards as though they were unrestricted Rayonier common shares.

Performance share awards outstanding as of the distribution date will be treated as follows:

- Performance share awards granted in 2012 (with a 2012-2014 performance period) will continue to be subject to the same performance criteria as applied immediately prior to the separation, except that total shareholder return at the end of the performance period will be based on the combined stock prices of Rayonier and the Registrant and any payment earned will be made in Rayonier common shares and shares of the Registrant's common stock.

Any dividend equivalent payments on restricted stock or performance share awards in respect to dividends declared after the separation will be paid by Rayonier to Rayonier allocated employees and Rayonier non-employee directors, and by the Registrant to employees allocated to the Registrant and any former Rayonier non-employee directors serving on the Registrant's board of directors as of the separation. For purposes of vesting for all awards, continued employment with or service to Rayonier or the Registrant, as applicable, will be treated as continued employment with or service to both Rayonier and the Registrant.

[Table of Contents](#)

The mechanics for conversion and adjustment of the equity awards summarized above are more fully described in the employee matters agreement. The foregoing descriptions of the equity award adjustments are qualified in their entirety by the complete terms and conditions of the employee matters agreement, which is filed as an exhibit to the Registrant's registration statement on Form 10 filed with the SEC on March 31, 2014, as amended, and incorporated in this prospectus by reference.

LEGAL MATTERS

The validity of the common stock offered by this prospectus will be passed upon for the Registrant by Wachtell, Lipton, Rosen & Katz, outside counsel to the Registrant.

Item 15. Indemnification of Directors and Officers

The Registrant is incorporated under the laws of the State of Delaware.

Delaware law provides that directors of a corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of their fiduciary duties as directors, except for liability:

- for any breach of their duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- under Section 174 of the Delaware General Corporation Law (“DGCL”) relating to unlawful payments of dividends or unlawful stock repurchases or redemptions; or
- for any transaction from which the director derived an improper personal benefit.

The limitation of liability does not apply to liabilities arising under the federal or state securities laws and does not affect the availability of equitable remedies, such as injunctive relief or rescission.

The Registrant’s amended and restated certificate of incorporation and bylaws will include provisions that indemnify, to the fullest extent allowable under the DGCL, the personal liability of directors or officers for monetary damages for actions taken as a director or officer of the Registrant, or for serving at the Registrant’s request as a director or officer or another position at another corporation or enterprise, as the case may be. The Registrant’s amended and restated certificate of incorporation and bylaws will also provide that the Registrant must indemnify and advance reasonable expenses to its directors and officers, subject to its receipt of an undertaking from the indemnified party as may be required under the DGCL. The Registrant’s amended and restated certificate of incorporation will expressly authorize the Registrant to carry directors’ and officers’ insurance to protect it, its directors, officers and certain employees for some liabilities.

[Table of Contents](#)

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act, that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information

[Table of Contents](#)

required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

[Table of Contents](#)

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-3

We have acted as special counsel to Rayonier Advanced Materials Inc., a Delaware corporation (the "Company"), in connection with the preparation and filing of the Company's Registration Statement on Form S-3 (the "Registration Statement") relating to a total of up to 200,000 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), issuable under the Rayonier Advanced Materials Inc. Incentive Stock Plan (the "Plan") to be issued in connection with the distribution by Rayonier Inc. ("Rayonier") of all of the outstanding shares of the Common Stock to shareholders of Rayonier (the "Distribution").

In rendering this opinion, we have examined such corporate records and other documents (including the written document constituting the Plan, the Registration Statement and the Company's certificate of incorporation and bylaws as currently in effect and amendments thereto as contemplated to be in effect at the time of the Distribution), and we have reviewed such matters of law, as we have deemed necessary or appropriate. In rendering this opinion, we have, with the Company's consent, relied upon oral and written representations of officers of the Company and certificates of officers of the Company and public officials with respect to the accuracy of the factual matters addressed in such representations and certificates. In addition, in rendering this opinion we have, with the Company's consent, assumed the genuineness of all signatures or instruments relied upon by us, and the conformity of certified copies submitted to us with the original documents to which such certified copies relate.

We are members of the Bar of the State of New York, and we express no opinion as to the laws of any jurisdiction other than the federal laws of the United States, the laws of the State of New York and the General Corporation Law of the State of Delaware.

Based on the foregoing and subject to the qualifications and limitations set forth herein, we are of the opinion that upon issuance and delivery pursuant to the terms and conditions set forth in the Registration Statement, the Common Stock will be legally issued, fully paid and nonassessable.

We hereby consent to be named in the Registration Statement and in the related prospectus contained therein as the attorneys who passed upon the legality of the Common Stock and to the filing of a copy of this opinion as Exhibit 5.1 to the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the U.S. Securities Act of 1933, as amended. We assume no obligation to advise you or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date of effectiveness of the Registration Statement that might affect the opinions expressed herein.

Very truly yours,

/s/ Wachtell, Lipton, Rosen & Katz
