

Rayonier Advanced Materials Scheduled to Release Fourth Quarter Earnings on January 28

January 5, 2015 5:02 PM ET

JACKSONVILLE, Fla.--(BUSINESS WIRE)--Jan. 5, 2015-- Rayonier Advanced Materials Inc. (NYSE:RYAM) plans to release its fourth quarter 2014 earnings on Wednesday, January 28, 2015, before the market opens.

Rayonier Advanced Materials will host a conference call and live webcast at 10 a.m. EST the same day to discuss these results. Supplemental materials and access to the live webcast will be available at www.rayonieram.com. A replay of this webcast will be archived on the company's website shortly after the call.

Investors may listen to the conference call by dialing 800-857-7003, passcode: Rayonier Advanced Materials. A replay of the teleconference will be available one hour after the call ends until 6 p.m. EST on Wednesday, February 11, 2015. The replay number is 800-879-7389, passcode: 5631.

About Rayonier Advanced Materials

Rayonier Advanced Materials is the leading global supplier of high-purity cellulose specialties products, natural polymers for the chemical industry. Working closely with its customers, the company engineers natural polymeric chemical chains to create dozens of customized high-purity performance fibers at its plants in Florida and Georgia. Rayonier Advanced Materials' intellectual property and manufacturing processes have been developed over 85 years, resulting in unique properties and very high quality and consistency. The company's facilities can produce up to 675,000 metric tons of cellulose specialties products for use in a wide range of industrial and consumer products such as filters, cosmetics and pharmaceuticals. Rayonier Advanced Materials is consistently ranked among the nation's top 50 exporters and delivers products to 79 ports around the world, serving customers in 20 countries across five continents.
